# The Area's One and Only One-Man Band for Kids!

## Lively and Joyful Music for Kids and Families Since 1996

Imagine one man playing drums and percussion, guitar, harmonica, kazoo, whistles and singing – all at the same time! Kids love to watch, sing, dance, stomp and clap their hands to Peter's upbeat, interactive and fun selection of songs. Peter's been performing for children 2-12 and their families since 1996.

- ◆ Schools and Preschool
- ◆ Childcare Centers
- ◆ Shopping Centers
- ◆ Libraries
- ◆ Places of Worship
- ◆ Festivals and Community Events
- ◆ Parties and Picnics

His programs are never exactly the same, because he picks the songs while he plays, taking cues from the audience to find songs they like! And he's always happy to do **theme shows** – holidays, seasons, pirates, pajama day, animals, etc.

- ◆ Familiar children's songs
- ◆ Songs/programs for all ages
- ◆ Original songs from Peter's three CDs.

## A Treat For the Ears and Eyes

When the beat starts, the kids wiggle, jiggle and dance. They enjoy watching Peter's feet work a handful of custom-built drum pedals while he plays guitar and sings. His famous "mouth rig" holds a half dozen mouth instruments for hands-free operation. It's all completely acoustic... nothing is electronically added. While Peter is mostly a "sit down" one-man band, he also has a walking rig that's great for parades, street shows and other special events.

## Educational and Fun

Peter McCorry introduces children to the joys of learning an instrument and making their own music. He often shares stories about where folk songs come from, and sings songs from different countries in different languages. Children learn that music is fun and loved all over the world.

*"I've been performing for children a long time. I do it because I truly love it, and the thrill of bringing children and music together is my passion. Their joy, curiosity and innocence inspire me, and I consider it a privilege to perform for (and with) kids." – Peter McCorry*
